It's time to reboot, regenerate and reconnect!

Come and join ACF Macnamara for a yarn, music and some positive, thought-provoking theatre as we celebrate and reflect on the amazing strides we have made this year in preserving and championing Australia's extraordinary environment.

- Come and **raise a toast** to the **wildlife warriors** whose tireless work sowed the seeds for an end to Native Forest Logging in Victoria.
- **Reconnect with your community** in the conservation space, both in Macnamara and beyond.
- **Reflect** as Playback Theatre transforms our stories of hope for the future into **dynamic live performance**.
- A **Silent Auction** will also be held on the evening, with all proceeds going to the **Victorian Forest Alliance** and **Westgate Biodiversity**.

TICKETS \$45*

* option for discounted tickets online

Ticket includes light refreshments, live music and theatre. Bar will be open for purchasing drinks. Silent Auction viewing from 7pm.
